# THE SUMMONED

I was called here. Don't know why. Don't know where from. But I got this sense: like there's a destiny waiting for me. I think-real soon-we're gonna find out why I was called.

But I have this feeling it's for something bad. Real bad.

# **LUCK**

Mark luck to change a roll to 12 *or* avoid all harm from an injury.

Okay Doomed

**Summoned special**: Whenever you spend a Luck point, another Sign of the Apocalypse will come to pass. When you have spent all your Luck, the Apocalypse begins.

#### HARM

When you reach 4 or more, mark unstable.

Okay Dying Unstable:

## **EXPERIENCE**

Experience:

Whenever you roll and get a total of 6 or less, or when a move tells you to, mark an experience box.

### MOVES

You get all the basic moves, plus three Summoned moves. You get this one:

Freakish: You're weird, and people react badly. You can't use manipulate someone until you prove yourself to them first (this includes the other hunters: it's up to them when you have proved yourself). Until then, they'll just try to get away from you. You can spend 1 Luck to have the person take to you. Skip the roll: they act as if you rolled a 12. Additionally, you can use manipulate someone on monsters that can reason and talk (but they always want something really bad).

Then pick two of these:

- ☐ What Are You Looking At?: When you talk to a monster capable of reason and speech, it recognises you (and your potential). If you ask it what it knows, pick one for the Keeper to reveal:
  - Tell me something about where I'm from.
  - Tell me something about my destiny.
  - Tell me something about who I really am.
  - Tell me something about the Apocalypse.
- Should I Feel That?: Your body has 2-armour. This does not stack with any other armour.
- Mayhem!: When you grab a nearby large object and use it as an improvised weapon, first determine how much damage it will do. Guidelines:
  - Fire extinguisher, fence post, furniture, etc: 2-harm
  - Motorcycle, lamppost, masonry chunk, etc: 3-harm
  - Car, dumpster, boulder, etc: 4-harm
  - Bus, truck, wall, etc: 5-harm

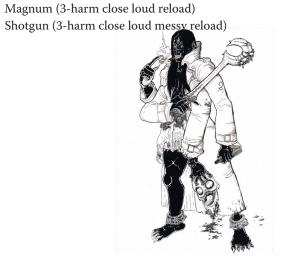

After you inflict harm with it (with a **kick some ass** move or otherwise), roll +harm inflicted. On a miss, you use it without trouble. On a 7-9, pick one side effect, and on a 10+ pick two:

- You hurt someone nearby as well as your target
- You make something about the situation worse
- $\bullet~$  You lose control of your improvised weapon
- You cause massive property damage
- Your improvised weapon breaks

	Absolute Badass: Increase your Tough by +1 (to a
	maximum of +3).
	Screw You: Spend a point of Luck to get +1 ongoing
	vs. one particular monster. This lasts until that
	monster is dead.
	Whatever: Spend one Luck to get +1 Tough for the
	remainder of the current mystery (maximum +4
	Tough).
	Why So Serious: If you cap off a move with an
	appropriate one-liner, the team gets +1 forward (so
	the next hunter who makes a roll gets +1).

#### **SIGNS & LUCK**

Whenever you use Luck, you'll trigger another sign of the Apocalypse. You choose what it is, but the Keeper brings the sign into the game.

When all your Luck is used, the Apocalypse is imminent. It's up to you to stop, or cause, the end of the world. Your call.

# **INTRODUCTIONS**

When you get here, wait for everyone to catch up so you can do your introductions together.

Go around the group. On your turn, introduce your Summoned by name and look, and tell the group what they know about you.

#### HISTORY

Go around the group again. When it's your turn, pick one for each of the other hunters:

- This hunter was there when you were summoned. Ask them who the summoners were.
- This hunter sees your human side. Ask them why.
- You could probably take this hunter in a fight, but you're not certain. Together, decide when the last time you threw down was, and what interrupted your fight.
- This hunter fascinates you, romantically. Ask them if they know about it, and if they reciprocate it.
- This hunter is tied into your destiny somehow. Tell them how they fit into your first sign of the Apocalypse.
- This hunter saved your ass when the shit went down.
   Ask them how.
- You met this hunter while separately hunting a monster. Ask them why you now work together.
- This hunter is your good friend. Tell them if it's from way back, or recently.
- You are suspicious about this hunter's motives. Ask them what they did that gave you doubts about them.
